Join us at the University of Georgia for the 4th Annual Reacting Winter Conference

This year's conference focuses on purposeful strategies for maximizing Reacting's potential for transformative student learning. Gather with colleagues to explore how educational gaming can enhance learning, build inclusive communities, and shape the future of learning.

Featured Games

- The Threshold of Democracy: Athens in 403 BCE
- Changing the Game: Title IX, Gender, and Athletics in American Universities
- Climate Change in Copenhagen, 2009
- Paterson, 1913: The Silk Strike
- The UN Special Committee on Palestine and the Question of Israel, 1947
- Yalta, 1945
